

DOMAINE WHITE 2023 AOC VENTOUX

**30% GRENACHE BLANC / 30% CLAIRETTE
30% ROUSSANNE / 10% ROLLE**

A common identity for this complex blend
Between balance, finesse, longevity and
aromatic pep

**ALTITUDE CLIMATE
THERMAL AMPLITUDE**

The influence of the mountain in the heart of the
Mount Ventoux Regional Nature Park
A unique microclimate, a preserved environment

MINERAL

**MOON CALENDAR
DAY FLOWER**

Vinification without sulfites
Maceration on lees = Optimization of
natural aromatic precursors
Aging on lees
Bottled on Flower Day

LIMESTONE SOIL

The starting point of minerality, a natural
support to the freshness of our wines
SALINE
The result of an alchemy between a soil and a
vine grow in organic farming
Optimization of transfer via a reinforced root
system
